WHO WE ARE

Alaska Auto Leasing rents and leases late-model work trucks, SUVs and 15-passenger vans from our yard at 2135 Richardson Hwy in North Pole. We serve Fairbanks, the Interior, the North Slope and statewide, and we have supported the Alaska Division of Forestry for five years.

CORE CAPABILITIES

- Short-term rentals for a project, a fire season or a surge in crew size
- Fleet leases up to 36 months, with mileage and use allowances tailored to the work
- Lease-to-own (contract to purchase)
- Purchase-leaseback: we buy your existing vehicles and lease them back to you
- Upfitting to your spec and agency or company branding before delivery
- 4x4 pickups capable on gravel highways, including the Dalton Highway to the North Slope
